

PERCÉ

★★★

The village of Percé owes its name to the iconic **Rocher Percé** (which means «pierced rock»), located just offshore. The impressive sheer rock formation is 471m long, 85m high and has a hole measuring 10m in diameter; it is the **tourist emblem** of Quebec. Percé is known around the world for its beautiful scenery. It is a great place to take a stroll, and is known as **one of the most beautiful villages in Québec**.

You are sure to leave with unforgettable memories of your time spent here.

A WALK TO THE ROCHER PERCÉ

WHAT TO DO

BONAVENTURE ISLAND AND ROCHER PERCÉ CRUISE ★★★

This cruise is indisputably one of the **most popular activities** in the area, and for good reason! After enjoying a close-up view of Rocher Percé, you will be transported to Bonaventure Island, known for its seals and its large migratory bird sanctuary, including a famous colony of **Northern Gannets**. During the cruise, you will have the option of **going ashore on Bonaventure Island** to pursue your exploration on foot. You can soak up the captivating island atmosphere along four

hiking trails totalling 15 km. Bonaventure Island offers the spectacular sight of some **250,000 sea birds** including razorbills, seagulls, guillemots, Atlantic Puffins and the largest Northern Gannet colony in North America. Duration of the boat excursion: Approximately 90 min, or a minimum of 3 hours if you go ashore on the island. LESBATELIERSDEPERCE.COM

PERCÉ GÉOPARK ★

UNESCO Global Geoparks are geographical areas whose mission is to protect and conserve the integrity of a site for the benefit of present

and future generations, while promoting education and sustainable development. The Percé Geopark obtained this status in 2018. Are you ready to discover **500 million years of Earth's history**? Several activities and facilities are available on site, such as **hikes, science mornings, an indoor play area, a suspended glass platform, a zipline, a multimedia zone** with a Tektonik show and more. The Geopark is open year-round, but the activity schedule varies with the seasons. GEOPARCDEPERCE.COM

RIVIÈRE AUX ÉMERAUDES WATERFALL ★

The **Rivière aux Émeraudes (Rivière-du-Portage)** site, in the Coin-du-Banc area, is one of the trailheads for the **Sentier des Rivières Trail**, which stretches 27 km through the forest. From the parking lot, a short hike on a portion of the trail called **Rivière-du-Portage Sector** will take you to the bottom of the valley to admire a **waterfall of rare beauty**. The color of the water is breathtaking. Choose a sunny day for this excursion. Bring your camera and your swimsuit! Accessible from early May to late October.
