

# OKANAGAN VALLEY

Renowned for its vineyards and fruit orchards, the Okanagan Valley is a haven of peace and one of the warmest and sunniest regions in all of Canada. The Okanagan Valley stretches for some 200 kilometres and is home to the arid vineyard-covered hills overlooking Okanagan Lake. With its more than 200 vineyards, the Okanagan is a must-see destination for wine-lovers! The region's primary city is Kelowna, but there are also many other interesting places to visit: Osoyoos, with the warmest temperatures in Canada; Penticton, which means "a place to stay forever"; Oliver; Peachland; Keremeos... The Okanagan Valley has so much to offer visitors: swimming, water activities on the lake, fine dining, winery tours, hiking, and much more!

It also cleverly reflects the bright, sunny atmosphere of the Okanagan Valley, where the restaurant enjoys a prime location overlooking Lake Okanagan. Sunny's combines warmth, nostalgia, and the vibrant spirit of the region in a charming, modern setting.
