

# QUEBEC CITY

Quebec City is the birthplace of French culture in North America. Perched on the cliffs of Cap Diamant and overlooking the St. Lawrence River, Quebec is proud to be a living museum and the only fortified city in North America.

RUE ST-JEAN, QUEBEC CITY

# WHAT TO DO

Quebec City can be divided into 3 districts: **Upper Town**, **Lower Town** and **Grande-Allée-Parliament Hill**. Quebec City is small enough that the best way to explore it is on foot.

## LOWER TOWN

As its name implies, Lower Town (Basse-Ville) is located at the foot of Cap Diamant, along the St. Lawrence River.

### RUE DU PETIT-CHAMPLAIN ★★

In summer and winter alike, this small cobbled street is a hive

of activity, with its many cafes, restaurants, boutiques and art galleries.

### PLACE ROYALE ★★

A visit to Place Royale is like a step back in time to the early days of New France. It was here that Samuel de Champlain founded the first settlement in 1608. It later became a market square. Take the time to admire the interior and exterior of historic **Notre-Dame-des-Victoires Church** ★, the oldest.

### MUSÉE DE LA CIVILISATION ★★

The most popular museum in Quebec City invites visitors to reflect on their values and traditions in relation to those of other cultures and civilizations. Learn all about Quebec with the following **2 permanent exhibitions**:

**1. People of Quebec... Then and Now:** Revisit the major events that shaped Quebec's history, from the early days of the settlers to the present day.

**2. This is our Story:** Discover the history and culture of Quebec's Aboriginal cultures and how they view the world.

## UPPER TOWN

### CHÂTEAU FRONTENAC ★★★

Attention all looking to score a perfect picture on their Canadian road trip, the iconic Château Frontenac is Quebec City's most famous landmark and the most photographed hotel in the world. It was named after Louis de Buade, Count of Frontenac, who was governor of the colony of New France from 1672 to 1682 and 1689 to 1698. Built in 1893 by the railway to ensure luxurious accommodations for train passengers, Château Frontenac has been named a National Historic Site of Canada. Step inside to admire its entry hall, the Verchères room, the Champlain dining room and the reception area. A jewel of Canadian architecture! The Quebec Citadel and Observatoire de la Capitale offer splendid views of Château Frontenac.

### RUE DU TRÉSOR ★

You won't want to miss taking a stroll down this colourful pedestrian alley where local artists display their artwork. Admire the works of Quebec artists, representing typical scenes of Quebec City. And why not take one home with you?

### NOTRE-DAME-DE-QUÉBEC CATHEDRAL-BASILICA ★

Originally constructed in 1650, the cathedral has been rebuilt twice, after being destroyed by British troops in 1759 and gutted by fire in 1922. Named a National Historic Site of Canada in 1966, it represents more than 300 years of Quebec architecture.

### RUE SAINT-JEAN ★

The lively and popular Rue Saint-Jean is one of the oldest streets in the city. Bustling with boutiques and restaurants, this is Old Quebec's ultimate shopping destination.

### TERRASSE DUFFERIN ★★★

Dufferin Terrace is a 430-metre long clifftop boardwalk just below Château Frontenac, with spectacular **views** ★★ of the St. Lawrence River, Lower Town and the surrounding area. The Terrace has public benches, street performers, vendors and even ice slides in winter.

### CITADELLE ★

The Citadelle is a fortress built between 1820 and 1832. Designed in a star shape characteristic of the time, it was never used to defend the city. Today, Quebec City is the sole surviving example of a fortified city in North America. The Citadelle is home to the Royal 22<sup>nd</sup> Regiment Museum, which displays a collection of historical military artifacts from the 17<sup>th</sup> century to the present. Don't miss the view of Quebec City from the Citadelle. The colourful **changing of the guard** takes place on the Citadelle parade grounds daily in summer.

### PROMENADE DES GOUVERNEURS ★

An extension of Dufferin Terrace, Promenade des Gouverneurs runs along the Quebec Citadelle to the Plains of Abraham (Battlefields Park). This multi-level walkway offers panoramic views of the surrounding areas.

### ARTILLERY PARK ★

Artillery Park is a group of historic buildings that bear witness to more than 250 years of French, British and Canadian military history. Visit the site's welcome and interpretation

centre where you will discover military artifacts, the remains of a powder magazine with its protective wall, and a magnificent scale model of Quebec City built in the early 19<sup>th</sup> century. In summer the

site offers many activities for visitors. Visit their website for more details.

### PARC DES CHAMPS- DE-BATAILLE ★

Created in 1908 for the 300<sup>th</sup> anniversary of Quebec City, this vast park **commemorates**

**the bloody clashes between the French and English** during the British conquest from 1759 to 1760. A green oasis of plains, wooded areas and English-style gardens, Battlefields Park is to Quebec City what Central Park is to New York. With its extensive pathways and views of the St. Lawrence River, the park is an ideal setting for a stroll or a family picnic. Also known as the Plains of Abraham.
